*"Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it." (Matt. 7:13-14)*

## IMPLIED CONSENT

### That Which We Willingly Allow

*Implied consent* is a concept that we find ourselves living with these days, but is, unfortunately, little understood and its ramifications little examined. This idea of *implied consent* works very well within the concept of democracy because of the illusion of the individual authority and freedoms that the concept of democracy portrays. In this world rights are ultimately invented and given to those with the power to enforce them. It matters not whether the powers that be are of a righteous nature or of an evil one.

A fair number of those who would call themselves "patriots" are becoming more aware of the meaning of *implied consent*, but most are still under its yoke because they aren't really doing anything about it. Of course, in all reality, nothing can be done about it in order to make true freedom a sustained certainty. That nasty problem of "SIN" just won't go away.

This is what patriots don't seem to consider at all. It is really quite amazing that many of these people would call themselves Christians yet have no clue that sin is the culprit that just won't go away on its own. They have deceived themselves, to the point of wasting time, money, energy, and influence on a recurring, self-perpetuating force, which can only be stopped dead in its tracks, by and with true repentance of an individual's sins to God Himself.

To combat this slippery nuisance of sin, those who make up the visible church, organize corporate public prayer meetings and shout, to the point of wearing out the scripture in II Chronicles 7:14: *"If my people which are called by my name, shall humble themselves, and pray and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and will heal their land."*

Admittedly, there is a lot in this one verse of scripture to decipher and clarify. It is assumed however that the USA is God's country, in spite of the fact that there is not one speck of actual Biblical evidence to support that idea, nor is there substantive information as to the validity of that claim from any other source, including history.

In the scripture above, it is the Jews and Israel which are addressed specifically, not just any nation. None of the other nations, with the exception of Egypt, are called "My people." Nevertheless, the Jews alone are in view. "Their sin and their land" refers only to Jews and to Israel.

This "God loves America" nonsense stems from the false teaching of American Israel-ism, which came from the notion that the pilgrims came to these shores by God's directive to build a "new" Jerusalem. Add to that the completely absurd notion taught by Armstrongites of the "World Wide Church of God" fame, who teach that the British Royals are the descendants of Jesus and thus the rightful heirs of the world. What total unbiblical trash!

Their "British Israel-ism" has polluted many Americans who actually believe that the U.S. is holy and has taken Israel's place in God's economy, especially for these last days. Never mind that Britain's "royals" are a mixture of several European nations. The House of Napoleon being one, and that all six of England's King

George's were Germans from the House of Hannover and Braunschweig anglicized to [Hanover and Brunswick] whose reign began in 1702. I've written on this in much more detail in the past, (see Victory Seekers Update, 4<sup>th</sup> qtr 2012, "British-American Israelism & The Harbinger," Issue #38) but it seems that this delusion of a special relationship between God and the United States of America is so deeply entrenched that only by the Spirit of the Lord will this nonsense be eradicated. Individuals "ate-up" with this are entrenched in massive cognitive dissonance. Donald Trump and his puppeteers are taking full advantage of the situation with the old Ronald Reagan campaign slogan "Make America Great." Reagan's use of the phrase made more sense at the time. He was faced with the task of having to dismantle the Carter administration's wimpy leadership which made the U.S. seem weak and unwilling to take a hard stance to the rest of the world, and it wasn't so hyped up as it is now.

Biblically speaking, there is one nation, and one nation only, that being Israel, with whom the God of Abraham, Isaac, and Jacob made a covenant of blessings with once the remnant of that nation, repents of their sins, period. With the above false notions of the U. S. having taken Israel's place in the world as the pupil or "apple" of God's eye, (Zechariah 2:8) a different sort of *implied consent* emerged, namely that of willing ignorance of the scriptures coupled with a desire for the easy way out which is the false perception that God has a covenant with the U.S. which is propagated by American Israelism. (More on this is covered in NGU, 4th qtr 2019, "Christian Nationalism," Issue #66.)

The verse in Zechariah speaks exclusively about Israel, not any other nation then in existence or in the future. Men have changed borders right and left and created more countries since WWII than ever before. The world went from the original, God-ordained 70 nations (Gen 10-11), to the so-called modern era to approximately 190 countries currently in existence and that number is subject to change daily. God did not have such confusion in mind.

The ability to make these drastic changes is the reason why *implied consent* works. Jean-Claude Juncker, the often, publicly drunk, ex-European Union Commission President has said, "*We sit in a room and hash out a decision, we then wait awhile to see if anyone complains. If no strong opposition is given, we implement it and keep on going step for step until there is no turning back.*"

The truth is that no one outside that tight group of top world leaders knows what's going on anyway. Consequently, any and all supposed opposition is, in fact, a joke and completely meaningless. This then is how Satan's anti-Christ system flourishes, unabated, forward. That he accomplishes it with the *implied consent* of the world's populace is quite outrageous and amazing simultaneously.

The United States of America is not "America." We as citizens are not citizens of America but of the Corporation of the United States of America; a corporation just like IBM, Apple, Siemens, or any other. It does not belong to us citizens. It is owned by the Rothschild's and company. through which the world is controlled in the main. We are but slaves to this corporation and this is why they can tax us as they like, and do exactly that. Any so-called legitimate "tax bill" is a placebo!

The constitutional republic that was begun after the Revolutionary War was dissolved by the Act of 1871 with the 14th amendment. It simply doesn't matter who's in the White House, Congress, or Supreme Court. They don't have any actual power to change the ownership of the corporation/government.

Washington D. C. is not a state, but a separate entity completely sovereign from the rest of the 50 states. London, England has this same status as does Vatican City in Rome, Italy. Hamburg, Lübeck and Bremen are German cities who did this, centuries ago. They are called Hansestädte or "trading cities."

These would war with one another and their neighbors such as Lithuania, Netherlands, Scandinavia. There were many European pirates who sold their services to one or more of the antagonists dueling against each other across the Baltic and North Seas. It amazes me every time a "Christian" tells me all about our freedoms and our leaders being the best of the "good" guys in comparison with the rest of the world's leaders, all of whom are purported to be lesser, bad, or outright evil. What part of Proverbs 22:7 is not

understood or actually believed by these "Christians": "*The rich rule over the poor, and the borrower is servant to the lender*"?

This scripture doesn't say anything about the U.S. or any other nation, including Israel, being exempt from the truth of it. Only the rich actually rule. The borrower is certainly not over the lender. Who owns the banks and the whole monetary system? I know that it isn't you or me.

This whole scheme in our modern society has gone from overt control to covert control in the last 300 years or so. You and I as citizens of this corporation have been stripped of our *natural rights* bequeathed by God and these have been replaced with privileges granted or taken away at will by the rulers of the corporation.

We must undergo being "licensed" to drive a vehicle, be a professional, own property, etc. Even being born into this world is recorded and a *license*, in the form of a certificate of birth, is written up and stored.

Every person born into this world comes to be counted as a unit, or slave, of this worldwide corporation which immediately signs us up to be taxed when we enter the job market, buy property, learn a profession, start a business, etc.

Our potential value is assessed and recorded from birth to death. Any substantial wealth that was created by us is immediately taxed, or otherwise confiscated by the corporation called the United States of America.

This is the brainchild and realization of the Communists, who are "fake" Jews, to turn every human being born into a proletariat, or better termed, a working stiff! Aleksandr Solzhenitsyn won a Nobel prize for literature which exposed the brutal regime tactics of Communism in his native Russia. Of course, now we're all being forced to play along with the emperor who has no clothes, and act as if he did with all this corona nonsense. Is there a disease? Sure. Should it have the status it has been given? No!

It's the old create an enemy to scare the people and they will consent by not doing anything worthwhile against it. Corona is nowhere near the top of the list of diseases that kills a bunch of people, but it has been raised to levels above that. In fact, it's now so high that the Biden's shortly after taking office and later leaders from various denominations held a vigil to, supposedly, honor those who, supposedly, died from corona. I cannot think of a greater blasphemy! They have raised corona to the status of holiness.

Nobody ever held a vigil for the those who died of just the flu. Nor over anyone else that died from whatever disease they died. Nor over the millions of murdered infants, even late term, that are offed each month in the world and in our supposed "Christian" nation. But corona, now that's a different animal altogether. We must fear corona instead of God. Stick around, it's getting worse. Only personal unshaking faith in the Lord Jesus Christ will finally save us from all this trash and ultimately from eternal death. Hallelujah!

This is not the America I signed up for. This is not the America of which, most believe they are a part. This is why no one, including Donald Trump, can drain the swamp that is Washington D.C. Neither the President, nor the Congress, nor the Supreme Court has any say-so over Washington D.C. any more than they have a say-so over the FED. They are PUPPETS, all of them, and that in an evil play!

As mentioned already, draining it, even if it were possible, doesn't change the District of Columbia, the headquarters of the corporation called the United States of America. The Obama's the Clinton's and a slew of others are proud to identify themselves as "progressives," a term that was used of communist's way back in Teddy Roosevelt's era. Teddy was all about communism. He nationalized big business and thus personally controlled it, with brute force if necessary.

In many interviews I have watched where, for instance, Alan Greenspan, former head of the FED blatantly stated on camera that "*there is no U.S. government office, agency, organization or official, which has power over the FED.*" The fact that the president is said to "appoint" FED officers is only a show, the president has no authority.

It is a privately-owned cartel of international financiers under the strict direction of the house of Rothschild & Co. This is the same for all European countries and indeed every other country in existence, save one or two such as we currently have in North Korea or Iran. This is why we notice Trump and now Biden pushing to go to war with Iran -- under strict orders of his puppeteers -- claiming them to be the aggressors, of course.

To be sure, the Islamic rulers in Iran and elsewhere are no friends of true Christians, but neither are our own leaders. Even Iran, North Korea, and one or two more have to play to the same tune eventually, for they are vastly outnumbered and outgunned. Without Christ Himself coming to end this evil mess and set up His everlasting Kingdom, nothing will change except that it must get exponentially worse according to the Bible, God's own Word.

Consider this quote from Theodore Herzl: *"The wealthy Jews rule the world; the fate of the governments lies in their hands. They start wars between countries, and when they wish, the governments make peace. When the wealthy Jews sing, the nations and their leaders dance along, and meanwhile the Jews get richer."* Herzl was himself a non-practicing Jew, whom Jesus would call "fake" (see Rev 2:9; 3:9), who nonetheless believed in and was driven to establish a Jewish homeland. Strangely, it seems he was a puppet much disliked by the Rothschilds who never bothered to answer his many attempts to speak with them via letter or private meeting about the Holy Land. He was always sidelined from the real aims they had in mind.

Simply put, *implied consent* is when one lets someone steal from them or worse, and does nothing to stop them, does nothing to let them know that they are vehemently not in agreement with their unrighteous and illegal desires. God's Word actually agrees with the concept of "implied consent." (Deut. 22:23-27) A virgin betrothed, that is engaged to be married, who does not scream for help when being raped is guilty of compliance. One who cries out for help is not guilty even if no one was near enough to hear and help.

God considers this "rape" as if it were a "murder"! (Verse 26) The one who didn't cry out for help is supposed, by a third party, to be in fellowship of the crime, thus guilty as charged. No clearer example of how and why implied consent works as it does, can be made.

Another way this is made to work by mankind in contemporary society is the old "opt out" excuse. Many times, the individual who didn't get a chance to opt out, for a myriad of reasons, is still considered to be in agreement, and not opposed to, whatever issue, or participation, was proposed. For the puppeteers to force their evil desires upon the populace quicker than normal, all they have to do is have the president sign an "executive order."

This bypasses any and all checks and balances that are still thought to be in working order, which they're not. It's just that this way, they can save valuable time if a political desire is immediately to be enacted. The concept of "let no opportunity ever go to waste," is employed here. Suffice it to say that if we care enough for something, we must act on it and not let it slide, for that is supposed by the architects of any issue they want to pursue to be a free ride. This can be likened to the parents who continually yell at their kids, but never make any real consequences for disobedience come to pass.

For us Christians the only thing about which we are to contend and scream the loudest is false doctrine. Any other issues, especially as they involve politics, we can leave to the world because our kingdom is not of this world.

Our job is to witness with our words, yes, but especially with our very lives, about the Good News that Christ has redeemed us from death, hell, and the grave. All that truly want it, can have it, upon serious repentance from sin. To get riled-up about anything else is pointless and a waste of energy and resources. It should be quite obvious that engaging in a bloody fight against this SYSTEM is futile, for it is too far along.

Therefore, all that's left to do is say it when we have the opportunity. However, even that can lead to incarceration of our persons and confiscation of our personal possessions. No big deal you say? It becomes

a very big deal when after paying such a high price, nothing, I repeat, NOTHING was actually changed in the here and now.

Talk about no return on an investment! It'll take God Himself to change our human status on earth in time and for eternity.

Let's understand *implied consent* and make sure that we're on the right side of God's Holy Word!  
AMEN!!!~

***THE SUCCESS OF LAWLESSNESS: The Professing Church, the World, and Antinomianism***, by Walt Hartwich

The unconscionable destruction of planet earth as we know it, which results in the battle of Armageddon or WWII, will be the culmination of global lawlessness.

In *The Success of Lawlessness* the author details how and why lawlessness is a success. He points out that world leaders routinely deviate from the dictates of their governments' constitutions in the five basic realms of modern human existence: political, financial, educational, medical, and spiritual. This deviation is what results in complete lawlessness, which is achieved by incorporating the concept of the fourth kind of appearances as it was first formulated by first-century-B.C. Greek philosopher Epictetus.

There's only one sensible conclusion the searching mind can reach considering the evidence presented in these pages: **Sin = Lawlessness. (I John 3:4)**
