*"Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it." (Matt. 7:13-14)*

## IT'S A RACKET

Definition: 1) noun: tennis, snowshoe, etc. 2) noun: a) loud noise disturbing people; b) Illegal scheme as in dishonest money-making involving bribery, fraud, intimidation. Easy living: An easy and very profitable way of earning a living.

*"All misery in the world is a business model."* (Ronald Bernard Blij, Dutch investment banker) The war in Syria is a business model, vaccinations are a business model, every single conflict and or catastrophe is a business model, set up by the powers that be. Some events that are outside of direct human control, like storms, earthquakes, etc., are incorporated to their advantage. It's all about value extraction on the surface of it, to buy anything and everyone needed to be controlled; however, it is very spiritual in reality, or we might say "under the surface," as is biblically confirmed in that we wrestle against the rulers of darkness in this world. (Eph. 6: 12)

The facilitators of these horrible actions of murder and strife aren't interested in saving lives or making the world a better place to live. They're not concerned with individual rights and freedoms, although these and many more are the reasons we're told drastic actions of violence and bloodshed were taken. "It's a matter of national security" is the war cry to legitimize any action that would otherwise be shot down by the sentiment of the populace.

This is all an outcropping of Satan's anti-Christ system of world domination. The only value he has to offer anyone is realized only in the here and now and is manifested in the physical temporary reality known as "stuff"—gold, silver, fiat money, appointments to positions of power that at various levels control international trade and policy via politicians, who are owned by bankers.

There is a fact that is inescapable in this fallen world and is an old Wall Street adage which states, *"Nothing happens until something is sold!"* All players who've sold their souls want to outdo their contemporaries, no matter what it takes. To do this they need the alleged approval of the citizens who actually perform all the labor which gives the funny-money floating around the world its actual value.

A bank—any bank, because they all are under the strict oversight of the constitutionally illegal and un-American FED—does nothing, puts up no collateral, does none of the labor, buys none of the material yet completely controls the house that was built and on which collateral a mortgage was signed.

This same bank also gave the homeowner/builder no real value that would constitute a loss to the bank in the event of non-collection of payments, since the alleged money they "loaned" to the owner/builder

does not actually exist. No claim of "the time value of money" can legitimately be made for which a reasonable interest is warranted because no actual value was loaned.

The "loan" magically sprang into existence when the owner/builder signed the bank's contract, legally binding himself to be obligated to repay the bank the value listed on the loan document including compounded annual interest plus any collateral the bank deemed appropriate. Notice I said "document," not just paper. A document is regally legal, making the borrower a slave to the bank.

Proverbs 22:7 comes to mind: "*The rich rule over the poor and the borrower is servant to the lender.*" God wasn't kidding when He had this truth recorded for our admonition. The delusion of "democracy" is hailed as the way to get the rich to not have the control over the poor. If this actually worked, God would be found a liar.

Remember, we're talking virtual lifetimes of reaping benefits from the same house. Most home buyers have to borrow funds to purchase a house to live in. So the banks reap a perpetual, never-ending stream of free value from the supposed "homeowner" and did absolutely nothing to contribute to the deal.

The banks are in total control of the property. The pseudo-homeowner gets to pay for the house and is responsible for any and all upkeep and repairs. The bank wants its property in tip-top condition for as long as the pseudo-owner has use of it. The property taxes also are the pseudo-homeowner's responsibility.

The bank does literally nothing but collect the fruits of the pseudo-homeowner's backbreaking labor, earned on his job, which is the real value behind all this funny-money fiat currency. (Talk about a racket! Talk about value extraction!!!)

Multiply this by virtually every home in the world, every farm, every factory, every retail business, every proprietorship, every car, every truck, every boat, every big item, every corporation, every fruit/vegetable stand, every entrepreneurial endeavor, every organization that trades something for a value, every charity, etc. The banks reap free value by extracting it from the borrower's labor, while demanding that their alleged value, the myth they call money, is to be returned, and with interest.

This supposed legality is what the system uses to excuse its way of doing business, which is otherwise known as theft. England, in a deal with Russia, used this strategy to stab Germany in the back in the fall of 1939. They knew that Hitler had made a deal with Stalin to divide Poland between the two. [Molotov-Ribbentrop Pact] Hitler was encouraged to invade Poland. Stalin was to do the same from the Russian side, Poland being in between. Russia and Poland had a long history of warfare and conflict. Stalin was excited to get one back on Poland but purposely waited two weeks after Hitler crossed to invade Poland himself.

Why? Because after Hitler went in, the Polish government was dissolved. Invading a territory with no government was seen to not break Britain's treaty with Poland since their treaty was with the former Polish government. The result was the Polish people were screwed by the Nazis, and by the Russians, and by the British, and by the French, and by the Americans.

So the Allies were seen as coming to the aid of Poland by declaring war on the invaders, Germany. Russia also invaded but no war was declared by Britain or any other Polish ally against Russia. Why? Because Stalin didn't come against a Poland that was seen as still sovereign, and because the whole purpose of both world wars was just a business model anyway, an extraction of value.

WWII marked the beginning of the demise of the British pound as the world's reserve currency and elevated the US dollar to that exalted position. This was hammered out and solidified in the 1944 meeting at Bretton Woods.

The Bretton Woods Conference, officially known as the United Nations Monetary and Financial Conference, was a gathering of delegates from 44 nations that met from July 1 to 22, 1944, in Bretton Woods, New Hampshire, to agree upon a series of new rules for the post-WWII international monetary system.

Goody, goody, the USA didn't have to invade Canada after all. "War Plan Red," the plan to destroy Britain's hold of the global economy through the strength of their pound sterling currency, was never implemented largely because Hitler and his Nazis made Germany the fall guy.

No wonder God said the rich rule over the poor. No wonder He said that the borrower is servant/slave to the lender. No wonder He said that Satan is the God of this world. No wonder He said that the whole world lies under the sway of the wicked one/the devil. No wonder He also said to trust only in Him and His Holy Word, that is, if we truly want to be free. This freedom is freedom from ignorance. It's freedom from having to believe the lie. And it's knowing where and with whom all saints will spend eternity.

Understand that all that we experience in this sinful world stems from the lie. How true it rings and how desperately we need to understand that this time of existence is precisely a time not to find our freedom, but to choose our master.

Satan cannot be satisfied with what he already controls. He must have control over every single transaction, from children selling lemonade in their front yards to multi-international corporate mergers.

No one will be able to buy or sell without anti-Christ and his minions knowing about it. This is the reason for the mark of the beast. It's a license approved by the State to buy or sell. It's also the reason why the elite have already engineered SDRs, the currency called "Special Drawing Rights" for powerful countries and corporations to use to finance their pet projects that have nothing to do with helping humanity advance toward what is deemed good.

Not only that, but tragically it's also the very thing that seals the fate for all who take this mark, whatever its final form, to a one-way ticket to the eternal Lake of Fire. The majority of the earth's citizens have no clue this is going on. They doggedly believe and even deeply ingest the lies as though they're good. They cannot comprehend a conspiracy so huge that it baffles the mind. One reason is that most citizens are relatively simple, and the language and methods used by the banking elite, and their political puppets, is highly technical and therefore quite boring to most.

Who has a credit card and ever actually reads all the fine print that comes with the agreement to be responsible to pay the accumulated amount with compounded interest?

Paul the Apostle said that Satan is the "god of this world." (II Cor. 4:4) Why are Christians so ignorant and gullible?

What could that mean if not the control of every aspect, especially the value extractions, from the world's billions of working men, women, and, yes, children?

Satan isn't omni-anything, so he must have co-conspirators to realize his desires and goals. A true worldwide conspiracy of epic demonic proportions is the only answer to what we're seeing, especially with today's perspective.

Ephesians 6:12 makes it clear that we're not fighting flesh and blood in this epic spiritual warfare, but rather rulers in high places. Paul describes them this way: "*For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*"

The scriptures in Ephesians and I John 5:19 stating that the *whole* world lies in wickedness—meaning, is controlled by the wicked one—is crystal clear. How can the whole world be controlled by the wicked without a conspiracy? There is no one powerful enough by themselves to cause such a phenomenon. Remember, the devil isn't omni-anything.

When we understand that it is the devil and not the Italians or the French or the Russians or the Africans or anybody else, we can then get a clue as to what's really going on. God said it would be exactly how we're experiencing it today.

Why hope for a human deliverer, as some see Trump, who surrounds himself with known and obvious false teachers and pseudo-prophets? Hollywood also is doing its very best to portray a Christ-less salvation of this world with a myriad of films depicting completely Godless ideas and practices with false messiahs.

All Satan can do is create a racket to steal, kill, and destroy, the very things he seeks in his extreme pride and vanity to oppose Almighty God. (John 10:10)

The conspiracy is real—God said it was. It is the racket! The only way to escape all this trash is to become a child of the living God of Abraham, Isaac, and Jacob, the God of all Creation. (Ex. 3:15; Rom. 3:29)

The salvation He offers from death, hell, and the grave is attained by believing, speaking, and doing what's recorded in Romans 10:9-10 and is confirmed by verse 13 of said chapter.

If you haven't already done so, I most urgently advise you to obey the aforementioned admonition and command of God to choose your master. All humanity already serves a master. Unfortunately, it's Satan! Of course, he has them believing that they themselves are in control of their own lives.

He accomplishes this with the racket he created, which is biblically known as the system of anti-Christ.

The very first caveat Jesus gives to His disciples is to not be deceived. (Matt. 24:4; Mark 13:5; Luke 21:8) No true Christian can afford it any more than the disciples of old.

Rather than just "believing" in God, "gift" your trust/faith to Almighty God. It's what He deserves and demands!~

### PRAISE THE LORD IN ALL THINGS!!!!

### PRAYER REQUESTS....

We hope that you all will join us in our prayers, remembering the Persecuted Church, praying for the health of all brothers and sisters in Christ, and asking that we all might live according to the Will of God. Pray about seeking His wisdom, especially in not being deceived by the enemy and in obeying His commandments; and pray that all believers in Christ Jesus would be good witnesses for Him by the way we live our lives. Pray for the salvation of all the unsaved family members of the Church of the Lord Jesus Christ and that the fullness of the Gentiles would come in per Romans 11:25. Pray for the Peace of Jerusalem—the soon coming of our Lord Jesus, because only when He comes will there truly be peace. Praise God in all things and **to God be the glory for all that is good!** ~

***THE SUCCESS OF LAWLESSNESS: The Professing Church, the World, and Antinomianism***, by Walt Hartwich

The unconscionable destruction of planet earth as we know it, which results in the battle of Armageddon or WWII, will be the culmination of global lawlessness.

In *The Success of Lawlessness* the author details how and why lawlessness is a success. He points out that world leaders routinely deviate from the dictates of their governments' constitutions in the five basic realms of modern human existence: political, financial, educational, medical, and spiritual. This deviation is what results in complete lawlessness, which is achieved by incorporating the concept of the fourth kind of appearances as it was first formulated by first-century-B.C. Greek philosopher Epictetus.

There's only one sensible conclusion the searching mind can reach considering the evidence presented in these pages: **Sin = Lawlessness. (I John 3:4)**
